(36 responses)

Did you know about your school's counseling services before this event?
(36 responses)

Did you know about the community-based and online mental health resources before this event?

(35 responses)

After this event, are you more or less likely to seek support for your mental health?

(34 responses)

What type of mental health support do you think would be most useful to you?

(34 responses)

What was the main thing you learned? (Highlights - please see raw data for full list)

- The main thing I learned that mental illness is a big thing in this world
- That everyone is going through problems and most of the time you can't see it
- That mental health is very serious
- That mental illness can happen to anyone
- I learned how to film
- I learned that it can happen to anyone
- Mental illness is a big issue
- That I'm not the only one going through this
- To never judge someone on how they act, they can be going through a hard time
- How to edit and film
- How people may try to hide the mental illness they have
- Acting is hard
- That you are always available to help others
- There's a lot of help around everyone
- I learned that it isn't easy to live with mental illness
- Nobody should be treated differently because they have a mental illness

How would you describe this event to a friend? (Highlights - please see raw data for full list)

- Supporting others awareness
- This is a great way to release your mental illness. It's a very fun activity
- That it's a good event run by good people that will help if you have mental illness
- You learn more about mental illness
- This event was fun and interesting
- Awesome experience
- Tell them they are important and they matter
- I would show them the video we made
- It's a cool project to do if you want to know more about health
- It is new and exciting, to know what people go through
- It's a fun way to learn about filmmaking and to learn about health issues
- It was cool how we are able to film

How can we improve this event in the future?

- It was great already (3)
- The only thing would be to give more resources for more mental illnesses
- More time (5)
- I don't know (2)
- More motion in the videos
- Always ask for help
- By helping people out
- Don't make people feel on the spot

- Maybe include different ways to represent it besides film, like a drawing or a poem
- Talking to them no matter how stubborn they are
- Have our stories organized
- Act better (2)
- By working harder
- Keep practicing
- Teach more about every mental health
- By making the videos longer
- More and more each week

Year (36 responses)

Sex/Gender (36 responses)

Ethnicity

Black / African / African American	White / Caucasian	Hispanic / Latinx	Multi-racial
2	1	25	7
6%	3%	71%	20%

Anything else we should know?

- I really need help but I don't want friends or family knowing about my situation
- Thank you for visiting our school
- I want to become a filmmaker or director and make a stop motion film because I have some ideas
- I'm a huge Will Smith fan..I think he's a great actor. So if anything contact him and we can bring back Fresh Prince of Bel Air
